  - **Girls Teams:** October 27, 2017 by 5:00 PM
  - **Boys Teams:** November 3, 2017 by 5:00 PM.

There will be **no exceptions** or **extensions** allowed!

### Check -In Confirmation:

#### If I checked my team in on-line, how will I know my roster has been approved?

Approved stamped rosters will be uploaded into GotSoccer for you to download under the “BSC USE ONLY: APPROVED On-Line Roster” label. This will be your official tournament roster. You **MUST** bring this to the tournament with you and show it along with your original player cards to the Field Marshal (FM) prior to every game. This file will be posted no later than one week prior to the tournament start date and you will receive an email confirmation stating it has been posted.

**NOTE:** If the Stamp Bethesda stamp does not display when you print your document, you must ensure that the “Documents and Markups” is selected under the “Comments & Forms” section highlighted in the image below for you.

## Players not attending the event:

### If a player is not attending the event do I leave their name on the roster?

No, if a player is not attending the event; you need to cross their name off of the roster.

## Guest Players & Roster Size:

### What is the maximum number of guest players a team can bring to the event?

A max of three (3) guest players will be allowed.

### The following are the maximum roster size per age groups:

U09 – U10 (7v7) – 14 players

U11 – U12 (9v9) – 16 players

U13 (11v11) – 18 players

U14 - U19 (11v11) - 22 Players, but only 18 may dress for any given game.

### U9 - U11 Teams

Rostered players may play for other teams within the same club without needing guest player approval! We are treating these teams more like an academy structure. Most teams in these age groups have not structured their teams to be tiered by player talent. Allowing kids to move within the Club teams helps them tier for tournament purposes. For example, a Bethesda Green player in the U11 age group can play on the U11 Bethesda Blue team without needing guest player approval.

### How do I add a guest player?

**Step 1:** Obtain the guest players current player card and medical release form

**Step 2:** Photocopy your original roster. Handwrite the guest player's full name, unique jersey number, player identification number and birthday below the bottom of the existing rostered players.

*Note: US Club Soccer teams may only take guest players registered under US Club Soccer, and USYSA teams may only take guest players registered with properly stamped USYSA player pass cards. No roster may be comprised of players with different passes from different organizations (no "mixed rosters").*

### How do I add a guest player after my on-line registration was approved?

Due to the size of the tournament, teams will not be allowed to resubmit their roster online unless permission is given by the registrar. This will depend on the workload of the registrar. Teams will be allowed to resubmit their roster in person during the on-site check-in dates and times. If your team needs to modify/resubmit their roster you must follow the directions for on-site check-in.

## Medical Release Forms

### Do I include the medical release forms in the early registration document?

- No. All teams must have a medical release form for each player (including guest players) but **DO NOT** include the medical release forms in the online registration package.

### **Do Medical Releases need to be notarized?**

- No. Medical Releases DO NOT need to be notarized. However, you must have signed our rules and guideline form stating that you have medical releases for all of your players.

### **Age Group Structure**

#### **What Birth Years play in each age group?**

*(Remember, players may play up but they cannot play at an age group younger than their birth year, i.e., a player born in 1999 may play U18 or U19/20. They may not play U17.)*
